

# Transportation Report 10.2023

## Communication

- September Social Media Reach: **8.2K** (12.4K in August)
- September Duval Loop signage QR scans: **2K** (2.1K in August)
- August ridership was **24.4K**, +22% over prior month
- FDOT Alert Today Alive Tomorrow Campaign: <https://alerttodayflorida.com/>

## Safety & Vision Zero

- Safe Streets and Roads for All grant agreement was approved by the City Commission in September.
- Running low on headlights, but headlights & bells are available for free at City Hall.
- Quotes received for additional lights, partial approval for orders to be placed fiscal day one
- Previous month highlights:
  - An additional in-street pedestrian sign was installed along Eaton St at Margaret St to support increased vehicle yielding behavior.
  - Improved high-visibility crosswalks are being tested at Horace O'Bryant School.
  - Rectangular rapid flashing beacon installed at mid-block crossing along Northside Dr.
  - New sidewalk installed along James St (partial construction pictured above).

## Bike Parking

Public map / Request more: <http://bit.ly/kwracks>

- Community Services is working to install bicycle parking at District 5 parks with opportunities identified in the Parks and Recreation Advisory Board report August 24th.
- All bicycle rack orders received from last fiscal year

- Most on-street racks have received reflective tape to improve visibility and reduce the likelihood of damage.
- 28 bike parking spaces installed since August with
  - 22 spaces installed as part of the Final Mile (FM) project
  - 6 bike locker spaces (FM)
  - 1 Fixit (FM)
